Volume 7 / Issue 8 / August 2024

## A NOTE FROM THE COORDINATOR

Hello coalition members,

Our next coalition meeting is on Wednesday, September 11 from 4-5pm at the Grand Traverse County Health Department with a hybrid Zoom option. Dr. Dave McGraham, from the Northern Michigan Opioid Response Consortium (NMORC), will be presenting to educate us on the services that they provide throughout our region. Everyone is welcome and I hope that you can join us! The agenda and Zoom details will be sent out in an email early next week.

The Substance Abuse and Mental Health Services Administration (SAMHSA) Assistant Secretary for Mental Health and Substance Use put out a statement for Overdose Awareness Day, August 31. Read the full statement here: [https://www.samhsa.gov/newsroom/statements/2024/international-overdose-awareness-day?utm\\_source=SAMHSA&utm\\_campaign=cc89e4e79f-EMAIL\\_CAMPAIGN\\_2024\\_08\\_28\\_04\\_35&utm\\_medium=email&utm\\_term=0-cc89e4e79f-%5BLIST\\_EMAIL\\_ID%5D](https://www.samhsa.gov/newsroom/statements/2024/international-overdose-awareness-day?utm_source=SAMHSA&utm_campaign=cc89e4e79f-EMAIL_CAMPAIGN_2024_08_28_04_35&utm_medium=email&utm_term=0-cc89e4e79f-%5BLIST_EMAIL_ID%5D).

September is National Recovery Month. This is a time to promote and support new evidence-based treatment and recovery practices, recovery communities, and service providers and community members who make recovery possible.

Corey Winfield, with 217 Recovery, has been voted in to serve on the board of the Grand Traverse County Drug Free Coalition, effective immediately. Congratulations Corey!

Please share your voice by taking the 2024 Northern Michigan Community Health Survey, conducted by MiThrive. This survey is a chance for you to share what is most important to you. MiThrive, a collaborative body that brings together cross-sector partners including local health departments and hospitals across the 31 counties of Northern Lower Michigan, is working to improve the health of communities in these counties by collecting data, identifying key issues, and bringing people together for change.

## COLOR FOR HOPE

We have received a lot of community support so far and our Color for Hope fundraiser continues! These 18"x24" colorable posters come in four unique designs, two Traverse City and two Leelanau posters. The designs include businesses, landmarks, and scenery specific to these areas. The local artist, Susan Alexander, spent hours in the natural areas, businesses, and landmarks of Traverse City and Leelanau County areas to capture the beautiful details. Susan Alexander lost her daughter to the disease of addiction. She is a passionate supporter of this cause and donated these posters as a way to further efforts to curb addiction and increase availability of resources related to education, prevention and treatment. All proceeds from the sale of these posters go to support SUD education, prevention, and treatment in our community.

The cost is \$8 per poster. The posters are currently available at both Oryana locations, ATS' the PORCH, The Red Dresser, Robert Frost, Peninsula Market, both Oleson locations, Burritt's Fresh Market, and the AREA Posters Facebook page. You can also email me directly and I can coordinate a pickup with you. Cash, credit cards, or checks, made payable to Catholic Human Services, are accepted.

We have raised over \$27,500 so far and have purchased Naloxone Safety Kits that have been installed at the Woodmere (2<sup>nd</sup> floor), East Bay, Peninsula, & Kingsley libraries, Living Hope Church, Salvation Army, the 86<sup>th</sup> District Court, the 13<sup>th</sup> Circuit Court, the Goodwill Inn, the Friendship Community Center, Central United Methodist Church, the Northwestern Michigan College Library, the BATA Bus transfer stations, the Traverse City Airport, the Children's Advocacy Center, Boone's Car Wash, the Grand Traverse County Health Department, the Interlochen Center for the Arts, Northwest Michigan Health Services, Fox Motors, Leelanau Senior Services, and Seven Hills.

We donated \$5,000 to Addiction Treatment Service's Phoenix house to help support women in recovery. Women can bring their children with them to Phoenix House, so the donation will also support the children that live there. The Grand Traverse Pie Company matched with a \$3,000 donation. We are planning to make another \$5,000 donation in the near future and are seeking community members and organizations that would like to match our donation at any level. If interested in making a donation, please contact Lauren Reed at [gtdrugfreecoalition@gmail.com](mailto:gtdrugfreecoalition@gmail.com).

## LAW ENFORCEMENT TOOLKIT

The Behavioral Health Initiative Reduce Stigma Against Substance Use Disorders Action Team has developed a stigma education toolkit to share with our law enforcement and first responder partners!

This toolkit is intended to be utilized within an agency to educate on substance use stigma and the impacts of stigma. The materials included can be used together or individually; this resource is designed to be used to fit your needs. A Start Here guide is included to help familiarize yourself with the materials.

They have also developed resource guides for each county that provide quick information on recovery, treatment, and harm reduction services. These can be printed and given to employees or referred to when necessary.

Click Here to access the toolkit! [Law Enforcement First Responder Stigma Toolkit](#).

A feedback form is included within the Start Here guide, please provide your feedback when utilizing this resource. This will help to keep the materials relevant and effective. The link to the feedback form is included here as well. [Toolkit Feedback Form](#)

We hope that you will find this toolkit valuable and informative. If you have any questions regarding the toolkit, please contact Erin Oleniczak at District Health Department#10 ([eoleniczak@dhd10.org](mailto:eoleniczak@dhd10.org) or 231-383-6552).
